Brian K. Schramm Post Office Dedication

JOSEPH E. ROBACH October 24, 2013

| ISSUE: **MILITARY AFFAIRS**

I was honored to join Assemblyman Bill Reilich and members of our community this afternoon at the dedication of the Brian K. Schramm Post Office Building in the Town of Greece. Brian was a lifelong Greece resident and graduate of Greece Olympia High School. Upon high school graduation, Brian enlisted in the United State Marine Corps to serve our great nation. Brian was tragically taken from us on October 15, 2004 while serving his second tour of duty in Iraq.

This post office building will remind us of the sacrifice Brian made for our country, and we are forever grateful for his dedication and service to our nation.
