Take a Vet to School Day

JOSEPH E. ROBACH   November 8, 2013

| ISSUE: **EDUCATION, VETERANS**

In honor of Veterans' Day, I was pleased to join Time Warner Cable, the History Channel and Brighton High School in hosting Take a Vet to School Day. This nationwide program brings our nations veterans together with students of all ages to share their stories of how they defended our great nation. Many thanks to the veterans who volunteered their time to share their stories with Brighton High School, and to the Brighton High students for their active participation.
