Walmart Foundation Donates to Gilda's Club of Rochester

JOSEPH E. ROBACH December 13, 2013

Many thanks to the Walmart Foundation for their generous \$25,000 donation to Gilda's Club of Rochester. This funding will be used to help fund Gilda's nutritional cooking and education classes that teach healthy and affordable recipes to families. I applaud Walmart Foundation's community spirit and their efforts to give back to the Rochester community.
