PHIL BOYLE January 22, 2014

| ISSUE: **CONSTITUENTS CORNER**

Senator Phil Boyle is bringing his office directly to constituents with his One-on-One with your Senator Program. Over the next several months he will be reaching out to communities across his district.

As part of the program, local residents who need assistance with government services, have questions about government programs, or would like to express concerns about a particular issue can share them with Senator Boyle in a one-on-one setting.

Additionally, staff will be available to offer assistance to anyone who is interested in researching the State Comptroller's data base for unclaimed funds.
