Senator Maziarz hosts "Solutions for Smarter Schools" summit to focus on reforming Common Core

GEORGE D. MAZIARZ February 14, 2014

| ISSUE: **EDUCATION**

Last night Senator George Maziarz hosted the "Solutions for Smarter Schools" summit at Niagara Falls High School. The event, held in conjunction with the [Partnership for Smarter Schools](#), drew hundreds of concerned parents, teachers, and administrators. The consensus among the distinguished panelists was that Common Core learning standards are being implemented the wrong way, and major changes to be made in how these standards are influencing curriculum and testing in the classrooms.
