Greece 4th of July Celebration Announcement

JOSEPH E. ROBACH April 14, 2014

I was pleased to join Greece Town Supervisor Bill Reilich this morning to announce the Town's plans for its revived 4th of July celebration! The day will kickoff with a Freedom 5k, will include food vendors, games and activities, and will be headlined by a performance from the band Orleans and fireworks, all at the Greece Town Campus. If I wasn't ready for summer yet, I certainly am now!
