

NEW YORK STATE SENATOR

Catharine Young

## Earth Day Poster Contest

CATHARINE YOUNG April 17, 2014

Dear Students:

Thank you for your wonderful contributions to the New York State Senate's Earth Day Poster Contest. This year we received many outstanding posters that exemplify the creativity of the young people in my Senate district.

Each entry displayed tremendous originality and vision as well as an obvious concern for the ecological future of our communities and our state. I am proud of your work and that of your classmates, and encourage you to continue to study and learn more about the challenges facing our environment.

This year's winner is Chloe Kotlowski from Pioneer Middle School:

I would like to offer my wholehearted congratulations to all of the participants in this year's contest. I also want to thank your family and give special thanks to your teachers, whose dedication and involvement in this project provided the encouragement for you to be creative and participate in the 2014 Earth Day Poster Contest.

Sincerely,

Senator Cathy Young
