EARTH DAY 2014 POSTER CONTEST: DISTRICT 10

JAMES SANDERS JR. April 17, 2014

Earth Day Poster Contest. This year we received many outstanding posters that exemplify the creativity of the young people in the 10th Senatorial District.

Each entry from my District displayed tremendous originality and vision as well as obvious concern for the ecological future of our communities and our state. I am proud of your work and that of your classmates, and encourage you to continue to study and learn more about the serious challenges that face our environment.

I am pleased to announce that the winner of the 2014 Earth Day Poster Contest from my District is:
