

NEW YORK STATE SENATOR

Mark Grisanti

Supporting Lake Shore Central School District's Energy Education Initiatives

MARK GRISANTI May 8, 2014

| ISSUE: EDUCATION, ENVIRONMENT

| COMMITTEE: ENVIRONMENTAL CONSERVATION

Senator Grisanti recently visited Lake Shore High School for an Earth Day presentation recognizing his support for the Lake Shore Central School District's Energy Education Initiatives. Senator Grisanti was honored with a certificate of appreciation as well as a framed illustration by Alfonso Butlak IV, a senior at Lake Shore High School, which pays tribute to the senator's support of the district. The district has saved more than \$180,000

through the Energy Education Program.
