Joseph E. Robach

Construction Begins at Midtown Tower

JOSEPH E. ROBACH May 23, 2014

| ISSUE: **ECONOMIC DEVELOPMENT**

This morning, I joined Larry Glazer, Bob Morgan and my colleagues in government for the start of construction on the Tower at Midtown Rising. This project is a great example of State and Local government working with private investors for the betterment of our community. This project will help bring the excitement back to Downtown Rochester, just like Midtown Mall did during its glory years!
