START-UP NY Helps Attract Datto, Inc. to Rochester

JOSEPH E. ROBACH June 4, 2014

| ISSUE: **ECONOMIC DEVELOPMENT**

Today, I joined Governor Cuomo, Lt. Governor Duffy and my partners in the New York State Legislature at RIT for an exciting announcement about the START-UP NY program. Datto, Inc., a technology leader and solutions innovator, is locating an office on the campus of RIT thanks to the innovative START-UP NY program. I am proud to have worked with Governor Cuomo on this program.
