Senator Terry Gipson, Fighting to make NYS a more affordable place to live!

TERRY GIPSON June 4, 2014

Thank you to [Hudson River Housing, Inc.](#) for having me speak at their annual meeting this afternoon about how we need to continue to fight to make New York a more affordable place to live, and the need for not just jobs, but good paying jobs, that allow people to raise families and live a quality life in our community. I also want to thank them again for their work helping veterans, and for being part of my Veterans and Families Fair.
