DEAN G. SKELOS June 23, 2014

This year I had the honor of nominating Rockville Centre resident, Sergeant Eugene “Mickey” Clark to the New York State Veterans Hall of Fame. Mickey has an exemplary military record and has demonstrated a true and unwavering commitment to his community and his country. I thank Mickey and all those in our armed forces for all that they do to protect our rights. To read Sgt. Clark’s biography, please click the link: <http://www.nysenate.gov/story/eugene-mickey-clark>
