RHYBL International Games 2014!

JOSEPH E. ROBACH July 14, 2014

| ISSUE: **YOUTH**

I helped the Rochester Hispanic Youth Baseball League open the International Games at a ceremony over the weekend. This tournament gave teams from RHYBL and the Charlotte Youth Athletic Association the opportunity to compete against teams from Puerto Rico and the Dominican Republic. RHYBL is more than just a youth baseball league, they teach their players about commitment and respect, on the baseball diamond and in the classroom. Way to go RHYBL!
