

NEW YORK STATE SENATOR

Thomas F. O'Mara

SUMMER READING

THOMAS F. O'MARA July 29, 2014

Summer's moving fast, so it's a good time to issue this reminder about the Senate's Summer Reading Program.

Area students and their families are invited to take part in an online summer reading program that I'm sponsoring locally and that the Senate will be promoting throughout the summer of 2014 in partnership with the New York State Library and public libraries across the Southern Tier and Finger Lakes regions, and statewide.

I'm glad to have this opportunity to join with so many local public libraries and other groups and organizations seeking to encourage summer reading. The Senate's online summer reading program offers a convenient opportunity for students and their parents to enjoy the benefits and the rewards of summer reading together.

Our region is incredibly fortunate to have such an outstanding network of public libraries providing access to books and other reading activities, materials and opportunities.
