Don't miss the 22nd annual Golden Gathering on Saturday, October 11, from 9 a.m. to 12:30 p.m., at Columbia-Greene Community College.

Now in its 22nd successful year, the Golden Gathering will again feature FREE health care services, blood pressure screenings and a flu shot clinic. Last year, approximately 1,000 individuals attended the Golden Gathering – and this year's FREE community event will be even bigger and better!

The Golden Gathering is a FREE community health and wellness event sponsored by New York State Senator Kathy Marchione, in partnership with Columbia-Greene Community College.
