

NEW YORK STATE SENATOR

Martin Malavé Dilan

Reclaiming Newtown Creek

MARTIN MALAVÉ DILAN August 19, 2014

Senator Dilan recently joined North Brooklyn Development Corp Executive Director, Richard Mazur and the North Brooklyn Boat Club for a canoe tour of Newtown Creek. The club, along with organizations such as the Java St Community Garden, are stewards of the ongoing remediation of the creek. These groups are host to a number of environmental education projects financed by the Greenpoint Community Environmental Fund.
