Senator Bonacic Tours Glenmere Lake, Village of Florida

JOHN J. BONACIC August 29, 2014

| ISSUE: **ENVIRONMENT**

Senator Bonacic met with concerned citizens and elected officials on Friday, August 29, 2014 to talk about the harmful effect of vegetation in Glenmere Lake. This is the main water supply for the residents of Florida. “We will continue to work with the DEC to try to look for a solution to address the concerns of our constituents,” said the Senator.
