Senator Stewart-Cousins wore orange on Thursday, September 4th, to help the Food Bank For Westchester raise awareness during September's Hunger Action Month. Volunteers joined in at the Elmsford warehouse, raising their arms in the fight to end hunger. They estimate 200,000 people in Westchester are hungry or food-challenged, 66,000 of them are children and 44,000 are seniors. #GoOrangetoEndHunger
