

NEW YORK STATE SENATOR

John A. DeFrancisco

Pitbull Meets Pitbull

JOHN A. DEFRANCISCO September 12, 2014

State Senator John A. DeFrancisco is pictured with rapper, Pitbull, at the 2014 New York State Fair.

Senator DeFrancisco has been referred to as the "pit bull" for his strong advocacy style. He also recently was advertised as John "The Pit Bull" DeFrancisco in his boxing match against Ray Rinaldi, called the Fight for a Future, to raise funds for youth athletic programs.

Now the pitbulls have met. However, there is no truth to the rumor that Senator DeFrancisco is going to launch a singing career.
