Senator Nozzolio attends Finger Lakes Construction open house

MICHAEL F. NOZZOLIO September 17, 2014

Clyde- Senator Mike Nozzolio attended the Finger Lakes Construction open house where he helped to cut the ribbon on the new Structural Insulated Panel. Finger Lakes Construction was founded in 1969 by Frank Brisky. Taking over as President in 1982, son Bob has taken the company from a small family business to a multi-million dollar enterprise and expanded from one to four locations.
