Joseph E. Robach

Handing Out Dictionaries at the Greece Christian School

JOSEPH E. ROBACH September 23, 2014

| ISSUE: **EDUCATION**

I was pleased to once again join members of the Greece Rotary Club to hand out dictionaries to the 3rd grade class at the Greece Christian School. I have been pleased to help support this project by securing state funding. These dictionaries are a valuable tool for students that they can keep and use beyond this year.
