

NEW YORK STATE SENATOR

Joseph E. Robach

Participation in Government at Robert Brown High School

JOSEPH E. ROBACH October 30, 2014

| ISSUE: **EDUCATION**

I enjoyed speaking with Participation in Government students at Robert Brown High School at the Edison Tech campus. Many thanks to Mr. Hickey and Mr. Amico for inviting me to talk to each of their classes, it's so important to get our younger generations involved in government and the election process.
