David J. Valesky

Senator Valesky Attends Groundbreaking for Rescue Mission Facility

DAVID J. VALESKY November 17, 2014

| ISSUE: **HOUSING, MEN'S HEALTH, COMMUNITY REINVESTMENT**

Senator Valesky joined other local officials and representatives from the Rescue Mission on November 17 for a Groundbreaking Ceremony for the organization's future Emergency Shelter/Day Center facility. Construction has begun on the building, and the project is expected to be finished in late summer 2015. The new facility will increase emergency shelter bed capacity from 132 currently to 183 beds.
