

NEW YORK STATE SENATOR

Michael F. Nozzolio

Senator Nozzolio hosts Senator Ritchie and Senator-Elect Funke at the New York State Agricultural Experiment Station

MICHAEL F. NOZZOLIO November 19, 2014

Geneva- Senator Mike Nozzolio recently hosted Senator Patty Ritchie and Senator-Elect Rich Funke at the New York State Agricultural Experiment Station (NYSAES). Senator Nozzolio had the opportunity to showcase the Station's cutting-edge technologies and state-of-the-art research facility which is essential to the future of New York State's ever changing wine, food and agriculture industry.

Pictured left to right are: Dr. Tom Burr; Senator Mike Nozzolio; Dr. Susan Brown; Dr. Olga Padilla-Zakour; Senator Patty Ritchie; Senator-Elect Rich Funke; and Julie Suarez, Assistant Dean of Government and Community Relations at Cornell University.
