## Thanksgiving Essays and Contributions

CATHARINE YOUNG December 2, 2014

Dear Participant,

Thank you for your wonderful contribution to the Thanksgiving Day Creative Celebration. We received outstanding poems, essays, and artwork that exemplify the creativity of New York State's young people.

The submissions received are remarkable in what they represent – showing gratitude and respect for family, friends, our troops fighting overseas, and many other important subjects

and activities. I am humbled and honored to see the inspiring contributions in response to such a meaningful and profound question: “What are you thankful for?”

On behalf of the New York State Senate, I would like to offer my wholehearted congratulations to all of the participants in this year’s Thanksgiving Day Creative Celebration.

Sincerely,

Senator Cathy Young
