| ISSUE: **TRANSPORTATION, HIGHWAYS**

Today, I joined with local government officials, labor leaders and community members as part of the Rebuild NY Now campaign to help raise awareness about our state's aging infrastructure needs. As Senate Transportation Committee Chairman, I will continue to advocate for improving our state's roads and bridges, which will help to keep New Yorkers safe when traveling and provide good paying construction jobs to hard working men and women. My thanks to all of the Town Supervisors, Village Mayors, Labor Leaders and other community members for their participation and support of this effort. For more information visit www.rebuildnow.org.
