On February 6, Senator Valesky attended the launch of 2-1-1 CNY, which provides access to community information and referral services. This service is accessible in Onondaga County by dialing 211 on a cell phone or by calling toll-free 1-844-445-1922. Locating basic resources such as food, shelter, employment, or health care may mean calling dozens of phone numbers, then struggling through a maze of agencies and services to make the right connections. The 211 system helps residents find resources by dialing a simple three-digit number.
