

NEW YORK STATE SENATOR

David J. Valesky

Downtown Dining Weeks, New Info Referral Service

DAVID J. VALESKY March 2, 2015

It was an honor last week to speak during the Senate Legislative Session about resolution J.276, remembering former Governor Mario M. Cuomo. Here's the [link to my comments](#).

Last Friday, I attended the launch of 2-1-1 CNY, which provides access to community information and referral services in Onondaga County by dialing 211 on a cell phone or by calling toll-free 1-844-445-1922. The 211 system helps residents locate basic resources such as food, shelter, employment, or health services by dialing a simple three-digit number. Visit the [2-1-1 website](#) for more information.

Family caregivers are too often left unprepared to provide proper care before taking their loved ones home from the hospital. My colleagues on the Senate Health Committee and I unanimously advanced the CARE Act ([S.676](#)), which would ensure that caregivers are offered instruction in any post-discharge tasks their older parents, spouses, or other loved ones will need at home, fostering better care and potentially avoiding costly hospital re-admissions.

Congratulations to Cazenovia for ranking 21 on the [Best Choice Reviews' list of the 50 Best Small Town Downtowns](#) in America.
