STATE SENATOR JOSEPH P. ADDABBO, JR. STATEMENT ON SUCCESS OF QUEENS COUNTY ST. PATRICK'S DAY PARADE

JOSEPH P. ADDABBO JR March 9, 2015

"This year's St. Patrick's Day Parade in the Rockaways once again was enjoyed by thousands. The always-incredible turnout continues to prove our people's devotion to community, and of course is a fantastic testament to the area's rich Irish history. I love being able to be a part of that. My thanks to Mike Benn, the parade committee and all who helped in putting together one of the greatest parades of the year in the city, including our uniformed services personnel -- particularly the Sanitation Department who went above and beyond to give parade marchers and goers a safe and snow-free path."
