John J. Flanagan

EARTH DAY 2015 POSTER CONTEST

JOHN J. FLANAGAN April 10, 2015

To all participating students:

Thank you for very much for your wonderful contribution to the New York State Senate's Earth Day Poster Contest. This year we received many outstanding posters that exemplify the creativity of the young people that my office represents.

Each entry we received displayed tremendous originality and vision as well as obvious concern for the ecological future of our communities and our state. All who participated should be proud of their work. Hopefully, all should continue to study and learn more about the serious challenges that face our environment.

I also want to thank your family and give special thanks to your teachers, whose dedication and involvement in this event provided the encouragement for you to be creative and participate in the 2015 Earth Day Poster Contest

Sincerely,

John Flanagan
