Greece Tree Planting in Honor of Jerry Helfer

JOSEPH E. ROBACH April 20, 2015

I was honored to join my colleagues in government to help plant a tree on the Greece Town Campus in memory of Jerry Helfer. I was fortunate to work with Jerry in his roles at Monroe County and the Town of Greece, he truly embodied the meaning public employee and was always attentative to the needs of his constituents. This was a wonderful tribute Jerry and his family.
