

NEW YORK STATE SENATOR

Terrence Murphy

Small Biz Reg Watch vol 1, Issue 8

TERRENCE P. MURPHY July 1, 2015

Dear Neighbor,

Below are this week's featured regulations. Remember, you can always check out the [ARRC website](#) for a more comprehensive list of rules and regulations from both the federal and state government.

Last week, the Senate [passed my bill which would protect businesses from job-killing regulations](#). S.4319 would require the state to conduct a more thorough examination of the impact proposed regulations may have on jobs and employment opportunities. As a small business owner, I know firsthand that New York continues to lag behind other states when it comes to job creation but the passage of this bill is a significant step in the right direction by holding these bureaucratic agencies accountable.

I also passed legislation last week that would extend the commenting period for any proposed rule from 45 days to 60 days. This will allow greater transparency and ensure businesses have the proper time to voice concerns of these proposals.

As always, if I or my staff can ever be of help please do not hesitate to contact us.

Wishing you the best,

Dr. Terrence P. Murphy
