It was a great weekend for Rochester SummerFest 2015, hosted by 103.9 WDKX, it certainly exceeded our expectations. I was pleased to partner with WDKX to present Friday night's line-up, Blues & BBQ, featuring Jimmie Highsmith, Chris Beard, Joe Beard, Lenny Williams, Pokey Bear and Clarence Carter. It was a great crowd with a lot of great performances, I was happy to be a part of the entire weekend.
