Joseph E. Robach

Thurston Village Revitalization Project

JOSEPH E. ROBACH July 31, 2015

| ISSUE: **COMMUNITY REINVESTMENT**

I was pleased to join residents of the 19th Ward and officials from the City of Rochester to help mark the completion of the Thurston Village Revitalization Project. This project consisted of improving pedestrian signage and amenities with benches, crosswalks and improved store fronts. The residents of the Thurston Village and the 19th Ward will surely love it!
