| ISSUE: **MILITARY AFFAIRS, MILITARY, TROOPS, POLICE, VETERANS**

Honor. Courage. Sacrifice.

These are the values embodied by the brave men and women throughout Long Island who time and time again answered the call to defend our country.

We stand stronger today due to the contributions of generations of countless veterans who valiantly served to protect our freedoms and fight tyranny across the globe.

To say thanks to you and your fellow veterans, I am hosting my third annual Veterans Appreciation Pancake Breakfast on Saturday, August 15th at the American Legion Post 94 in Babylon. I hope to see you there.
