

NEW YORK STATE SENATOR

Joseph E. Robach

New Integrated Science & Health Sciences Building at SJFC

JOSEPH E. ROBACH September 24, 2015

| ISSUE: **EDUCATION, HIGHER EDUCATION**

I recently had the opportunity to help cut the ribbon on the newest building on the campus of St. John Fisher College. The Integrated Science and Health Sciences building will provide students and faculty with state-of-the-art classroom and lab space, and will help better prepare our future nurses, pharmacists and other clinical professionals for career after college. Another beautiful building and great addition to one of Rochester's finest colleges!
