Senator Reverend Ruben Diaz to be Honored as the Great Defender of Life

RUBEN DIAZ October 20, 2015

New York State Senator Reverend Ruben Diaz (D-Bronx) will be honored as the Great Defender of Life during the Human Life Foundation's Annual Gala on Thursday, October 22, 2015 at 6:30 PM. This event will be held at the Union League Club located at 38 East 37th Street in New York City.

Senator Diaz stated: " During these days when the value of human life is undermined and undervalued, and when babies' body parts are being sold on the open market, I am humbled to receive this award. Even though I am a Democrat and an elected official here in the City of New York, with the encouragement of Pope Francis' words about the "innocent victims of abortion," I will proudly continue my pro-life stance to protect and to cherish the precious lives of our unborn children."

The Human Life Foundation is recognized in the United States for their work on behalf of the unborn.

I am Senator Reverend Rubén Díaz and this is what you should know.
