FUNKE HOSTS TAKE A VETERAN TO SCHOOL DAY AT VICTOR HIGH

RICH FUNKE November 5, 2015

Senator **Rich Funke** hosted his first Take a Veteran to School Day with local military veterans and students at Victor High School. Take a Veteran to School is a nationwide partnership between the History Channel and cable providers, like Time Warner Cable, to strengthen ties between students and veterans, while bringing history to life in the classroom.

“As we approach Veterans Day, I can think of no better way to celebrate those who have selflessly served our nation than by giving these outstanding local veterans an opportunity to inspire a whole new

*generation of young people,” said **Funke**. “I want to thank our decorated panel of veterans, the students and staff at Victor Senior High School, Time Warner Cable, and the History Channel for making our first Take a Veteran to School Day a big success.”*

In advance of the observance of Veterans Day next week, **Funke** hosted the event to recognize and celebrate the contributions made by all veterans, while simultaneously inspiring young people of all ages. **Funke** was joined by U.S. Army veteran **Jeremy Bagley**, U.S. Navy veteran **Jeffrey S. Bartkoski**, U.S. Air Force veteran **Peter J. Glennon**, U.S. Army veteran **Laura Stradley**, and U.S. Marine Corps veteran **John White**, in addition to Victor High School Principal **Yvonne O'Shea**. The program included opportunities for the attending veterans to share their experiences in their own words, in addition to a candid question and answer session between students and the panelists.

*“I am honored to join Sen. Rich Funke at Victor High School for its Take a Veteran to School Day program,” said **Glennon**. “As Chairman of Honor Flight Rochester, I know how appreciative the greater-Victor community is of veterans. And I appreciate the opportunity to discuss my military and community service with the Victor students.”*

*“At Time Warner Cable, we are proud of our veterans and pleased to have an employee network comprised of veterans, family members of veterans and other supportive employees,” said **Mark Fitchett**, Time Warner Cable AVP of Operations for Western New York. “Take a Veteran to School Day gives us all an opportunity to pause and reflect on the many contributions our veterans have made and to thank them for their selfless service.”*
