SENATOR CROCI SECURES FUNDING FOR BAYPORT-BLUE POINT LIBRARY

Bayport-Blue Point, NY – New York State Senator Thomas Croci announced he has secured an additional \$5,000 in state funding for the Bayport-Blue Point Library.

“I’m proud to have secured this funding for the Bayport-Blue Point Library. Director Firestone and the entire library staff are doing a wonderful job with this library on behalf of the community and I am grateful for the opportunity to get to enhance that experience for our families through providing this funding,” said Senator Croci. “I was also very pleased to get to see the room dedicated to local historian Gene Horton, as well as the new iPads they brought in for the children’s library.”

Director Michael Firestone has indicated that the funding will be used for increased safety by installing security cameras at the library.
