Continuing his strong commitment to the small businesses that are the backbone of our local communities, New York State Senator Michael Nozzolio is once again encouraging local residents to participate in “Small Business Saturday” by shopping at local businesses this Saturday, November 28th.

“Small Business Saturday is a day where we celebrate the importance of our local small businesses and their continued contribution to our economy and our communities as a

whole. Please take the time this weekend to visit your local small businesses and show them your support,” said Senator Mike Nozzolio.
