Senator Sue Serino Launches First Annual 'Season of Giving' Campaign

HYDE PARK, NY—In an effort to make the holidays brighter for our neighbors in need, Senator Sue Serino (R, C, I—Hyde Park) announced the official launch of her ‘Season of Giving’ Campaign. The unique initiative includes a series of drives running through the Dutchess and Putnam County District Offices that will benefit local organizations in need of goods during the holiday season.

“There is no better time than the holiday season to give back to our local community. That’s why I’m partnering with community organizations committed to improving quality of life in our area,” said Senator Serino. “I know that we’re all stretched thin, especially this time of year, but it is my hope that community members will take a few moments to take part in the ‘Season of Giving’ and help improve lives of our neighbors in need.”
