Senator Jack M. Martins (R-7th Senate District) recently joined with Winthrop-University Hospital officials and staff in unveiling the hospital's new trauma center. The center, which will be staffed around the clock by a trauma team and on-site surgeon, will enable the hospital to enhance its care for victims of motor vehicle crashes, falls, fires and burns, gunshots, and other types of trauma.

Senator Martins (right) is pictured as he joins with Winthrop Hospital officials and staff in cutting the ribbon on the hospital's new trauma center.
