

NEW YORK STATE SENATOR

David Carlucci

Join Senator Carlucci and Support the Teal Pumpkin Project this Halloween!

DAVID CARLUCCI October 27, 2015

Senator David Carlucci encourages you to take part in the Teal Pumpkin Project, a nationwide initiative that draws attention to food allergies and encourages residents to leave a painted teal pumpkin outside their home to signify that "non-food" items are available for Trick or Treaters this Halloween.

The attached flyer can be downloaded, printed out and hung in one's window to signify their participation in the Teal Pumpkin Project.
