Senator Martins Invites Residents to Share Their Views Through His 2016 Legislative Questionnaire

JACK M. MARTINS January 12, 2016

Senator Jack M. Martins (R-7th Senate District) is inviting residents to share their views by completing his 2016 Legislative Questionnaire. The brief questionnaire enables residents to share their views on a number of different issues, including New York State's property tax cap, workforce development, paid family leave, minimum wage, and distracted driving.

"Hearing feedback from the community is very important as we consider these and other issues during this legislative session. I encourage residents to take the survey and share their views with me," said Senator Martins.
