| ISSUE: **JOB TRAINING OR TRADES**

(Albany, NY)-Senator John J. Bonacic (R/C/I-Mt. Hope) met with students from Ulster YouthBuild, today, in his Albany office. Ulster YouthBuild is a comprehensive job training, education, leadership development, and community development program for out-of-school, low-income individuals between the ages of 16 to 24. Once selected for enrollment, participants begin the regular program schedule which consists of spending half of their time in the YouthBuild classroom, where they prepare for taking the NYS High School Equivalency test, and half of their time being trained in construction skills at the YouthBuild

construction project sites.
