

NEW YORK STATE SENATOR

John J. Bonacic

Senator Bonacic Meets with SUNY New Paltz

JOHN J. BONACIC February 24, 2016

| ISSUE: [SUNY \(STATE UNIVERSITY OF NEW YORK\)](#)

(Albany, NY)-Senator John J. Bonacic (R/C/I-Mt. Hope) met today with students from SUNY New Paltz who were in Albany as part of the 2016 Undergraduate Research and Creative Works Poster Contest. Students from several SUNY schools were on hand to discuss and display their respective research projects. The students from SUNY New Paltz were Ariel Pignatelli, and Rachel Marra. The title of Ariel's research project was, "Dynamic templates and networks: From hardwiring to temporal behavior," and the title of Rachel's research project was, "A systems model of brain dynamics in obsessive compulsive behavior."
