Encouraging Entrepreneurial Spirit in Brooklyn

JESSE HAMILTON March 22, 2016

| ISSUE: **SMALL BUSINESS, LOCAL ECONOMY**

Great workshop co-hosted with the Flatbush Enterprise, Creating Legacies, and the Nostrand Avenue Merchants Association at Medgar Evers College last night. Essential that we encourage small businesses in Brooklyn and this series of workshops boosts that entrepreneurial spirit. Thanks to all the partners who makes these events possible and thanks to everyone who was able to attend the workshop last night.
