

NEW YORK STATE SENATOR

Jesse Hamilton

Wide-ranging interview with the Jewish View

JESSE HAMILTON April 6, 2016

Thanks to Rabbi Nachman Simon and Marc Gronich for having me as a guest on the Jewish View. I appreciate the opportunity to speak about issues of importance to residents of Central Brooklyn. From my opposition to the Iran Nuclear Deal, to advancing community cohesion in Crown Heights, and discussion of mental health legislation I am sponsoring, we covered a broad range of important topics. The full interview is available [online here](#).
