MARTIN MALAVÉ DILAN April 14, 2016

| ISSUE: **EARTH DAY**

Dear Students,

Thank you for your wonderful contribution to the New York State Senate's Earth Day Poster Contest. This year we received many outstanding posters that exemplify the creativity of the young people in the 18th Senatorial District.

Each entry from my District displayed tremendous originality and vision as well as obvious concern for the ecological future of our communities and our state. I am proud of your work and that of your classmates, and encourage you to continue to study and learn more about the serious challenges that face our environment.

I am pleased to announce that the winner of the 2016 Earth Day Poster Contest from my District is:

**Debbie Chen**

**4th Grade**

**PS 116K**

**Everyday is Earth Day!**

Let's turn it to something new!

**REDUCE**

Use less... buy less... avoid waste... turn off lights...  
 take shorter showers... carpool!

**REUSE**

Use things more than once... use cloth shopping bags... repair...  
 regift... try travel mugs... compost!

**RECYCLE**

Separate waste materials so that the recyclable products can be  
 transformed into something new!

**Recycle Paper and Card HERE**

If you don't want things, you can donate it!

Let's make our planet cleaner!  
**SAVE THE PLANET!**

- Walk to school
- Use energy saving light bulbs
- Take showers not baths
- Recycle
- Use public transport
- Reuse
- Reduce

Think about what happens when hundreds of years go by. This is the only world we got. We need to do something now before it's too late! Save the Earth!

Follow the three R's everyday. It's very important!

**This or This?**

You decide!

And I would like to offer my wholehearted congratulations to all of the participants in this year's Contest. I also want to thank your family and give special thanks to your teachers, whose dedication and involvement in this event provided the encouragement for you to be creative and participate in the 2016 Earth Day Poster Contest.

Sincerely,

Senator Martin Malavé Dilan
